POTENTIAL CONFLICT OF INTEREST DISCLOSURE FORM

Antioch University is committed to transparency in its operations. Therefore, it is important for community members to identify any potential conflicts of interest, as required in Antioch’s Conflicts of Interest and Commitment Policy 2.105, Section VI(A). Upon completion of this form, the University will evaluate the nature of any relationships reported, and will determine whether a conflict of interest or commitment requiring management exists.

1. Are you aware of any relationship between you and the University or between a member of your family and the University, as defined by the letter or spirit of the attached policy, whether existing now or contemplated in the future, which may represent a conflict of interest?

_____ YES _____ NO

If yes, please identify and describe any such relationship and the details of any actual or potential financial or other benefit, as you can best estimate them.

2. Are you aware of any relationship between you and a third party, or between a member of your family and a third party, as defined by the letter or spirit of the University Policy 2.105 (Conflicts of Interest and Commitment), which may represent a conflict of interest or commitment? For example, did you or a member of your family receive or maintain, during the past 12 months, any monetary (e.g., gifts, loans, payments or ownership interest) or other benefit from any third party from which the University buys or is considering buying goods or services or with which the University otherwise has or is considering having business dealings?

_____ YES _____ NO

If yes, please identify and describe any such relationship and the details of any such benefits, their source, and their approximate value here.

3. I hereby affirm that I:

- A. Have received a copy of University Policy 2.105;
- B. Have read and understand the Policy;
- C. Have agreed to comply with the Policy;
- D. Understand that, in order to protect the University's integrity, the University seeks to avoid actual conflicts of interest and/or the appearance of conflicts of interest; and
- E. Understand that the University is a Section 501(c)(3) organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

I certify that the foregoing information is true and complete to the best of my knowledge.
