I. Introduction and Purpose

The Chancellor of Antioch University monitors the implementation of all Board of Governors policies and assures the maintenance of the fiscal integrity of the university through the Office of the Vice Chancellor & CFO who is responsible for monitoring the financial and personnel actions of each unit. In order to facilitate these monitoring activities, the university requires that each campus utilize the same administrative software system in the financial and payroll areas.

II. Administrative Software

Antioch University has selected, purchased and implemented the use of the DATATEL integrated administrative software, maintained by the University IT to be used by each campus.
